Part 8: Almighty Initiative

God's Redemption Story for Us

The Bible is more than ancient writings—it's the unfolding story of God's relentless mission to redeem the world. The foundation of our faith isn't a book; it's an event—the resurrection. That event sparked a revolution that spread across the world long before the Bible was assembled. And because something extraordinary happened, that movement preserved a message for generations, ensuring that the story of Jesus—the very core of our faith—would never be lost.
